Referendum 1 Information on Referendum 1 Ballot Question Number 1 concerns the approval process of resolutions of student opinion. This measure would specify if the ASUW Student Senate amends a resolution that was vetoed by the ASUW Board of Directors, the amended resolution will be treated as a new resolution that has been recommitted once and will be presented to the ASUW Board of Directors again for their approval. This would allow the ASUW Student Senate to amend and resubmit vetoed legislation for the board's reconsideration. Should this measure be enacted?
